

Webinar Opportunity: Introduction to C-PACE

**Financing to Help You Invest in
Better Buildings and Improve Our
Community**

**Wednesday, July 31, 2024
12 – 1 pm**

Learn More About C-PACE:

Albemarle County's Environmental Services Division and Economic Development Office are hosting a webinar introducing Commercial Property Assessed Clean Energy (C-PACE). This financing tool pays for energy efficiency, clean energy, and more building improvements.

C-PACE is accessible in Albemarle County, providing advantages to both new and existing commercial buildings. The program supports reducing greenhouse gas emissions and aims to involve the private sector. This webinar targets commercial property owners, developers, and lenders in the Charlottesville-Albemarle area.

Featured speakers include:

- Abby Johnson, Executive Director, Virginia PACE Authority, program administrator for the Virginia statewide C-PACE program
- Jason Schwartzburg, President, MD Energy Advisors, registered capital provider for the VA PACE program
- Gabe Dayley, Climate Protection Program Manager, Albemarle County
